Composition of the Board of Governors

The University's Board of Governors consists of at least nineteen and a maximum of twenty

members, including the Chancellor, who are appointed by the University Council. The Board of Governors is responsible for the overall strategic direction of the University and for the appointment and removal of the Vice-Chancellor. The Board of Governors also has the authority to approve the University's financial statements and to recommend the University Council on the appointment and removal of the Chancellor.

The Board of Governors is composed of representatives from the University's various faculties and departments, as well as external members. The Board of Governors meets regularly to discuss the University's affairs and to make decisions on matters of importance. The Board of Governors also has the authority to delegate its powers to committees and sub-committees.
