## Corporate governance and internal controls statement

### Composition of the Board of Governors

The University's Board of Governors consists of at least nineteen and a maximum of twenty

members, of whom at least five must be independent non-executive directors. The Board of Governors is responsible for the overall strategic direction of the University and for the appointment and removal of the Chancellor and the Vice-Chancellor.

The Board of Governors also has the authority to approve the University's financial statements and to recommend the University's annual report to the University's Council.

The Board of Governors is also responsible for the appointment and removal of the members of the University's Council and for the approval of the University's internal controls and risk management framework.

The Board of Governors is also responsible for the appointment and removal of the members of the University's Audit Committee and for the approval of the University's internal audit function.

The Board of Governors is also responsible for the appointment and removal of the members of the University's Remuneration Committee and for the approval of the University's remuneration policy.

The Board of Governors is also responsible for the appointment and removal of the members of the University's Nominations Committee and for the approval of the University's nomination policy.

The Board of Governors is also responsible for the appointment and removal of the members of the University's Diversity and Inclusion Committee and for the approval of the University's diversity and inclusion policy.

The Board of Governors is also responsible for the appointment and removal of the members of the University's Sustainability Committee and for the approval of the University's sustainability policy.

The Board of Governors is also responsible for the appointment and removal of the members of the University's Ethics Committee and for the approval of the University's ethics policy.

The Board of Governors is also responsible for the appointment and removal of the members of the University's Research Ethics Committee and for the approval of the University's research ethics policy.

The Board of Governors is also responsible for the appointment and removal of the members of the University's Research Integrity Committee and for the approval of the University's research integrity policy.

The Board of Governors is also responsible for the appointment and removal of the members of the University's Research Governance Committee and for the approval of the University's research governance policy.

The Board of Governors is also responsible for the appointment and removal of the members of the University's Research Quality Committee and for the approval of the University's research quality policy.

The Board of Governors is also responsible for the appointment and removal of the members of the University's Research Impact Committee and for the approval of the University's research impact policy.

The Board of Governors is also responsible for the appointment and removal of the members of the University's Research Innovation Committee and for the approval of the University's research innovation policy.

Chancellor's Group, have responsibility for significant areas of the University's business, or who hold senior positions.
